**The Adviser has contractually agreed to reduce its investment advisory fee and/or reimburse certain expenses of the Fund to the extent necessary to ensure that the Fund's total operating expenses (excluding taxes, interest, extraordinary items, brokerage commissions, fees and expenses attributable to a distribution or service plan adopted by the Fund, dividend and interest expense on short sales of securities and "Acquired Fund Fees and Expenses") do not exceed 1.60% (on an annual basis) of the Fund's average daily net assets (the "Expense Limitation"). The Expense Limitation will remain in place until February 1, 2024, unless the Board of Trustees of the Trust approves its earlier termination. The Adviser is entitled to recover, subject to approval by the Board of Trustees, such amounts reduced or reimbursed for a period of up to three (3) years from the date on which the Adviser reduced its compensation and/or assumed expenses for the Fund. The Adviser is permitted to seek reimbursement from the Fund, subject to certain limitations, for fees it waived and Fund expenses it paid to the extent the total annual fund operating expenses do not exceed the limits described above or any lesser limits in effect at the time of reimbursement. No recoupment will occur unless the Fund's expenses are below the Expense Limitation amount.*

Investment Risk: Mutual fund investing involves risk; principal loss is possible. There is no guarantee the Fund's investment objectives will be achieved. Stock values fluctuate in price so the value of your investment can go down depending on market conditions. The Fund may invest in equity-related securities (such as convertible bonds, convertible preferred stock, warrants, options and rights). Investments in small and mid-cap companies may trade less frequently and in smaller volumes, and as a result, may be less liquid than securities of larger companies.

Markets may additionally be impacted by negative external and/or direct and indirect economic factors such as pandemics, natural disasters, global trade policies and political unrest or uncertainties. The adverse impact of any one or more of these events on market value of fund investments could be significant and cause losses.

Investors should consider the investment objectives, risks, charges and expenses carefully before investing. For a prospectus with this and other information about the Fund, please call (888) 640-5704 or visit our website at www.sirioslp.com. Please read the prospectus carefully before investing.
